Correspondent's Message

Dear Parents, Students and Well-Wishers

As the Correspondent of Vidhyalakshmi Group of Educational Institutions, it is both an honour and a privilege to address you. At Vidhyalakshmi School, we are dedicated to providing a nurturing environment where each child can thrive mentally, emotionally, and physically.

Our commitment extends beyond academic excellence; we strive to equip every student with the skills and knowledge necessary to excel in their chosen fields and face the challenges of the globalized world. We understand the importance of holistic development, and our aim is to foster well-rounded individuals who are prepared to make meaningful contributions to society.

It is our belief that education should be accessible to all, with this in mind, Vidhyalakshmi School operates on a service-oriented ethos with a reasonable fee structure. Our priority lies in the well-being of our students and staff. We ensure a comfortable and supportive infrastructure where no child or employee suffers due to discomfort.

As a management team, we are unwavering in our commitment to the betterment of our pupils, employees, and the institution as a whole. We prioritize support and encouragement, fostering an environment where everyone can thrive and succeed.

To our students, staff, parents, and well-wishers, I extend my heartfelt wishes. May the divine guide us on the path of righteousness, leading us towards success and fulfillment in all our endeavours.

Regular Academic Planning Meetings

At Vidhyalakshmi CBSE School, regular academic planning and execution meetings are conducted by our Principal, Mrs. Uma, along with the Headmaster and Vice Principals. These meetings aim to enhance our educational standards through strategic planning, curriculum review, and the implementation of effective teaching practices.

Key Focus Areas:

Strategic Planning: Aligning academic goals and instructional strategies.

Review and Assessment: Evaluating ongoing programs and student performance.

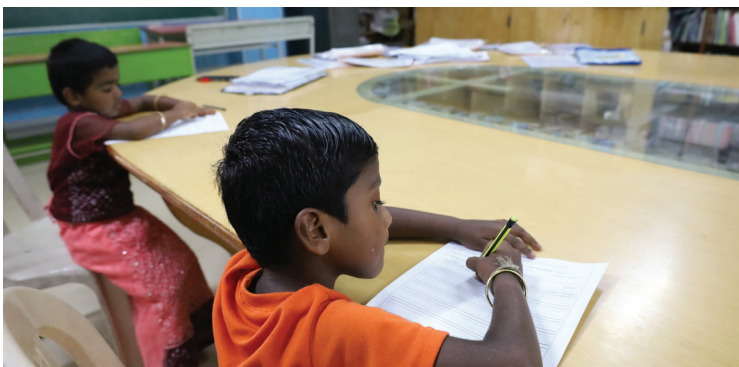

Collaboration: Sharing insights and addressing challenges collaboratively.

Professional Development: Identifying training opportunities for teachers.

These meetings ensure continuous improvement, operational efficiency, and student success, maintaining Vidhyalakshmi CBSE School's commitment to excellence in education.

Entrance Examination for Admissions 2024-25

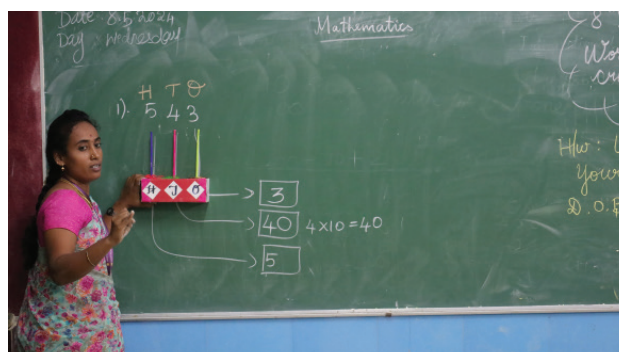

Entrance examinations for admissions to Vidhyalakshmi CBSE School for the academic year 2024-25 are currently underway. This process ensures that we select students who are well-prepared and eager to benefit from our high-quality educational offerings.

Prospective students and their parents are encouraged to complete the application process promptly and prepare thoroughly for the examination. We look forward to welcoming new students to our school community and supporting their academic journey.

Subject-wise Teacher Demonstrations and One-to-One CCA Meetings

From May 2 to May 4, 2024, Vidhyalakshmi CBSE School organized subject-wise Teacher demonstrations led by Mrs. Devi, VP (Academics) and Mr. Jeevanandam P HM (Secondary & Sr. Secondary). These sessions aimed to highlight innovative teaching methods and promote the exchange of best practices among faculty members. Both Educators, recognized for their expertise, conducted interactive demo classes, showcasing effective strategies for engaging students and enhancing their learning experiences.

NEET Exam Centre at Vidhyalakshmi CBSE School

We are proud to announce that Vidhyalakshmi CBSE School served as an official exam centre for the National Eligibility cum Entrance Test (NEET) held on May 5, 2024. Our school accommodated 600 aspiring medical candidates, providing them with a conducive environment to take this crucial step toward their future careers. The administration and staff at Vidhyalakshmi CBSE School worked diligently to ensure the smooth conduct of the examination. From stringent security measures to a well-organized seating arrangement, every aspect was meticulously planned. We are committed to supporting the academic and professional aspirations of students, both within our school community and beyond. Congratulations to all the students who appeared for the exam. We wish you the best of luck in your results and future endeavors in the medical field.

Inauguration of New Sports Room and Restrooms

On May 10, 2024, Vidhyalakshmi CBSE School celebrated the opening of a newly constructed block dedicated to sports, alongside the inauguration of separate new restrooms for students from Classes IX to XII. These developments mark a significant enhancement in our school's infrastructure, aimed at providing better facilities and a more comfortable environment for our students

New Sports Block:

The newly constructed sports block was officially opened, and all sports equipment and facilities were relocated to this modern and spacious area. This dedicated block is equipped with state-of-the-art amenities designed to support a wide range of sports and physical activities. The new facility underscores our commitment to promoting physical fitness and holistic development among our students.

New Restrooms for Classes IX to XII:

In addition to the sports block, we also opened new restrooms specifically for our Class IX and XII students. These restrooms are designed to provide a clean, comfortable, and hygienic environment, catering to the needs of our senior students.

Features of the new restrooms include:

Separate Facilities:

Gender-specific restrooms to ensure privacy and comfort.

Modern Sanitation: Up-to-date sanitary fixtures and facilities to maintain high standards of hygiene.

Accessibility: Conveniently located to provide easy access for students throughout the school day.

These infrastructural improvements are a testament to Vidhyalakshmi CBSE School's ongoing efforts to enhance the educational experience and well-being of our students. We believe that providing top-notch facilities contributes significantly to the overall development and success of our students.

We extend our sincere thanks to everyone involved in these projects and look forward to the positive impact these new facilities will have on our school community.

The much-anticipated CBSE results for Classes X and XII were declared on May 13, 2025. Vidhyalakshmi CBSE School is thrilled to report the outstanding performance of her students, which is a testament to their hard work, dedication, and the unwavering support from our teachers and parents.

Our Class X students achieved a remarkable pass percentage, with several students scoring above 90% in various subjects. The Class XII results were equally impressive, with many students securing top ranks and high distinctions across all streams-Science, Commerce, and Humanities. We extend our heartfelt congratulations to all the students for their achievements. Their success reflects the high standards of education and the holistic learning environment fostered at Vidhyalakshmi CBSE School. We are confident that our students are well-prepared to embark on their next academic journeys and professional aspirations.

A special note of gratitude to our dedicated faculty members whose guidance and encouragement played a crucial role in our students' success. We also thank the parents for their continuous support and cooperation.

Here's to another year of academic excellence at Vidhyalakshmi CBSE School!

On May 17, 2024, Vidhyalakshmi CBSE School had the pleasure of felicitating Mast. Deva Krishnan for his outstanding achievements. Our Correspondent Sir led the ceremony, highlighting Deva Krishnan's remarkable dedication and accomplishments in both academics and extracurricular activities. Deva Krishnan's exemplary performance has been an inspiration to his peers and a source of pride for the entire school community. His hard work, perseverance, and multifaceted talents have set a high benchmark for fellow students.

During the felicitation, Correspondent Sir praised Deva Krishnan for his commitment to excellence and his contributions to the school. The ceremony included the presentation of a special memento to commemorate his achievements, along with words of encouragement for his future endeavors. We at Vidhyalakshmi CBSE School are incredibly proud of Deva Krishnan and look forward to witnessing his continued success. This event underscores our commitment to recognizing and nurturing the talents of our students, ensuring they are celebrated for their efforts and accomplishments.

CUET (UG) 2024 Examination Centre at Vidhyalakshmi School

From May 15 to May 18, 2024, Vidhyalakshmi CBSE School was privileged to serve as an examination centre for the Common University Entrance Test (CUET) for applicants to undergraduate programs. We accommodated 1,207 candidates, providing a well-organized and supportive environment for this crucial assessment.

The CUET (UG) 2024 is a significant gateway for students aspiring to secure admissions to various prestigious universities. Recognizing the importance of this examination, our school ensured top-notch facilities and meticulous arrangements to facilitate a smooth testing experience for all candidates.

Our dedicated team of staff and volunteers worked tirelessly to manage the logistics, from efficient check-in processes to maintaining a calm and orderly atmosphere throughout the examination period. We implemented stringent security measures to uphold the integrity of the exam and provided all necessary amenities to ensure candidates could perform at their best.

We are proud to have been chosen as a centre for this prestigious examination and are committed to supporting the academic aspirations of students. We wish all the candidates the very best in their results and future academic endeavors.

Round II of CBSE Science Challenge Online Test

On May 17, 2024, eight talented students from Vidhyalakshmi CBSE School participated in the second round of the prestigious CBSE Science Challenge. This round was conducted online under the guidance of Mr Bharathan S, providing a platform for our young scientists to showcase their knowledge and problem-solving skills in various scientific disciplines. Our students prepared rigorously for this challenge, reflecting their passion for science and commitment to academic excellence. The online format of the test ensured a fair and comprehensive evaluation of their abilities, covering a wide range of topics that tested both theoretical knowledge and practical understanding.

We are immensely proud of our students for reaching this advanced stage of the competition. Their participation in such a prestigious event highlights the quality of education and the emphasis on critical thinking and innovation that Vidhyalakshmi CBSE School strives to instill.

We congratulate all the participants for their hard work and dedication. We eagerly await the results and are confident that our students have performed exceptionally well. This experience is not only a testament to their abilities but also a stepping stone to greater achievements in the future.

Co-Curricular Activity (CCA) Meetings

Co-Curricular Activity (CCA) meetings were held for the Art, Physical Education (PET), and Multimedia departments by Mrs. Irene Jeevakumari K, VP (CCA). These individualized sessions provided a platform for teachers to discuss their unique contributions, share ideas, and receive personalized feedback to improve the quality of CCA programs.

Art Department: Discussions focused on integrating creative projects and cross-disciplinary approaches to provide a comprehensive learning experience.

PET Department: The meeting covered new fitness programs and strategies to promote physical well-being among students.

Multimedia Department: Emphasis was placed on incorporating the latest digital tools and technology to enhance the curriculum and student engagement.

Yoga Department: Discussions centered on integrating yoga into the daily routine of students to promote mental and physical well-being, highlighting techniques for stress management and mindfulness.

These initiatives reflect Vidhyalakshmi CBSE School's commitment to fostering an environment of excellence and collaboration. By continuously supporting and developing our teachers, we ensure that our students receive the highest quality education, enriched by diverse and innovative learning experiences.

Class XII Transfer Certificates Issued

Starting from May 17, 2024, we began issuing Transfer Certificates (TC) to our Class XII students. This marks an important milestone as our students transition from school life to pursuing higher education and other future endeavors.

The process of issuing TCs has been carried out efficiently to ensure that students receive their certificates promptly, facilitating their application processes for colleges and universities. Each certificate serves as a formal record of the student's academic journey and achievements at Vidhyalakshmi CBSE School.

We extend our heartfelt congratulations to all our graduating students. We are immensely proud of their hard work and dedication, which have culminated in this significant step forward. As they move on to new challenges and opportunities, we are confident that the values and knowledge they have gained here will guide them to success.

We wish you, our Class XII students, the very best in all your future endeavors. Remember, you will always be a part of the Vidhyalakshmi CBSE School family.

Cursive Handwriting Practice Workshop

On May 29, 2024, Vidhyalakshmi CBSE School conducted a cursive handwriting practice workshop for our KG to middle school teachers, led by the esteemed Mrs. Nagalakshmi A, KG Coordinator. This initiative was designed to enhance the handwriting skills of our educators, equipping them with effective techniques to teach cursive writing to their students. She provided a comprehensive session that covered the fundamentals of cursive writing. The workshop included practical exercises, tips for correcting common handwriting issues, and innovative strategies to make handwriting practice engaging and enjoyable for young learners.

The teachers participated enthusiastically, practicing various cursive writing drills and learning new methods to help students develop clear and beautiful handwriting. This workshop underscored the importance of good handwriting as a foundational skill that supports overall academic achievement and effective communication.

We believe that well-trained teachers are crucial for fostering a love for writing and ensuring that our students acquire strong handwriting skills. This workshop is part of our ongoing commitment to professional development and excellence in education.

We extend our gratitude to Mrs. Nagalakshmi A for her valuable insights into and dedication to improving handwriting instruction at Vidhyalakshmi CBSE School. We look forward to seeing the positive impact of this workshop in our classrooms.

Analysis of CBSE Board Results for Classes X and XII

On May 29, 2024, Vidhyalakshmi CBSE School held an in-depth analysis of the CBSE board results for Classes X and XII. The meeting was conducted by our Vice Principal, Mrs. Irene Jeevakumari K, who led a comprehensive review of the performance data to identify trends, strengths, and areas for improvement.

During the session, Mrs. Irene Jeevakumari K presented a detailed report highlighting key performance metrics, subject-wise results, and comparative analyses with previous years. The discussion aimed to understand the factors contributing to student success and to address any challenges that may have impacted performance.

Key points of the analysis included:

Overall Pass Percentage:

Celebrating the high pass rates and commendable scores achieved by our students.

Top Performers:

Recognizing the students who excelled in various subjects and acknowledging their hard work and dedication.

Subject-Wise Performance:

Identifying subjects where students performed exceptionally well and those where additional support may be needed.

Improvement Strategies:

Developing action plans to enhance teaching methodologies, provide targeted support, and introduce new initiatives to boost academic performance.

This meeting was an essential part of our continuous effort to maintain high educational standards and to ensure that every student receives the best possible support to achieve their full potential.

We thank Mrs. Irene Jeevakumari K for her insightful leadership and dedication to academic excellence. The insights gained from this analysis will guide our strategies moving forward, ensuring that Vidhyalakshmi CBSE School continues to excel in providing quality education.

Subject Improvement Plan for Academic Year 2024–25

In a meeting held on May 29, 2024, Mr. P. Jeevanantham, HM introduced a comprehensive Subject Improvement Plan aimed at enhancing the academic performance of students from Classes IX to XII for the upcoming 2024-25 academic year. His strategic approach emphasizes the importance of early and consistent efforts to achieve academic excellence.

Mr. Jeevanantham stressed the significance of starting improvement initiatives right from the beginning of the academic year. He used a thought-provoking analogy: “What you pack for your lunch in the morning will be there in the lunch box in the afternoon; you can’t expect anything different.” This metaphor underscored the idea that the efforts and preparations made early on will determine the outcomes at the end of the academic year.

Key elements of the Subject Improvement Plan include:

- 1. Early Identification of Weak Areas:** Teachers will conduct diagnostic assessments at the start of the year to identify students’ strengths and weaknesses in each subject.
- 2. Customized Learning Plans:** Based on the assessment results, individualized learning plans will be developed to address specific needs and ensure targeted support.
- 3. Regular Monitoring and Feedback:** Continuous assessment and regular feedback will be provided to track progress and make necessary adjustments to teaching strategies.
- 4. Enhanced Teaching Methods:** Incorporating innovative and interactive teaching techniques to engage students and foster a deeper understanding of the subjects.
- 5. Extra Support Sessions:** Organizing additional tutoring and support sessions for students who require extra help to keep up with the curriculum.
- 6. Parental Involvement:** Encouraging active communication and collaboration with parents to support their children’s learning at home.

Mr. Jeevanantham’s plan emphasizes proactive and sustained efforts throughout the academic year, rather than last-minute preparations. By implementing these strategies early and consistently, the goal is to significantly improve student performance and overall academic results.

We are confident that with the dedication of our teachers and the active involvement of students and parents, this Subject Improvement Plan will lead to remarkable academic achievements in the 2024-25 academic year.

On 23.05.2024, Vidhyalakshmi CBSE School solemnly commemorated the passing away of Mrs. Arivukkarasi A., the beloved wife of our chairman and one of the three foundational pillars of our institution.

she was a kind-hearted and dedicated individual whose contributions to the school were immeasurable.

Mrs. Arivukkarasi A. played a pivotal role in the growth and success of Vidhyalakshmi CBSE School. Her unwavering commitment to education and her compassionate nature made her a respected and cherished member of our community.

She was deeply involved in various aspects of school life, always striving to ensure the well-being and success of both students and staff.

Commemoration of the Vice-Correspondent Madam

On the day of commemoration, teachers, and staff members shared heartfelt tributes, reflecting on the profound impact she had on their lives. Her legacy of kindness, dedication, and excellence continues to inspire us all.

Mrs. Arivukkarasi A.'s contributions to the school will never be forgotten. Her spirit and values remain deeply embedded in the ethos of Vidhyalakshmi CBSE School. We are committed to carrying forward her vision and dedication to providing quality education and nurturing a compassionate community. She will always be remembered with great respect and affection by everyone at Vidhyalakshmi CBSE School.

Capacity Building Programme in Classroom Management

On May 27th and 28th, 2024, Vidhyalakshmi CBSE School hosted a Capacity Building Programme focused on Classroom Management. This enriching professional development event was conducted by esteemed resource persons Dr. Bhavanishankar Subramanian, Director - Strategy, Research and Innovation, Lalaji Memorial Omega International School, Chennai and Dr. K. Sankara Narayanan, Principal, Sree Gokulam Public School, Chengalpattu, under the expert guidance of our Principal, Mrs. Uma.

The programme was designed to equip our teachers with advanced strategies and techniques to manage classrooms effectively, fostering an environment conducive to learning. Dr. Bhavanishankar Subramanian and Dr. K. Sankara Narayanan brought a wealth of knowledge and experience, delivering insightful sessions that addressed key aspects of classroom management.

Day 1:

Session 1:

Activity 1: Classroom Management

The initial session focused on the fundamentals of classroom management, setting the stage for a deeper exploration into its various components.

Session 2: Components of Classroom Management

The second session involved a series of interactive activities, each designed to address different aspects of classroom management:

Activity 2: Understanding Classroom Management

Teachers engaged in exercises to gain a thorough understanding of classroom management principles.

Activity 3: Content Management - Instructional Management

This activity centered on strategies for managing instructional content effectively.

Activity 4: Content Management - Physical Management

Teachers learned techniques for organizing and managing the physical classroom environment.

Activity 5: Content Management - Time Management

Time management strategies were explored to maximize instructional time and improve efficiency.

Activity 6: Content Management - Teaching Style

Participants examined various teaching styles and their impact on classroom management.

Activity 7: Know Your Classroom Management and Style

This reflective activity encouraged teachers to analyze and refine their personal classroom management styles.

**Day 2:**

Activity 8: Conduct Management - Developing Rules and Procedures Teachers collaborated to develop effective rules and procedures for classroom conduct, ensuring a structured and respectful learning environment.

Activity 9: Consequence and Review The focus was on understanding the importance of consistent consequences and regular reviews to maintain discipline.

Activity 10: Management of Interpersonal Relationships Strategies for fostering positive interpersonal relationships within the classroom were discussed and practiced.

Session 3: Dealing with Misbehavior

Activity 11: Teachers explored methods for addressing and mitigating student misbehavior constructively.

Session 4: Managing Large Classes

Activity 12: This session provided practical techniques for effectively managing large classes, ensuring all students remain engaged and attentive.

Session 5: Classroom Management Plan The final activity involved the creation of personalized classroom management plans, integrating the insights and strategies gained over the two days.

This capacity building programme not only enhanced the skills of our teachers but also reinforced our commitment to our progress. Our Principal Mrs. Uma's guidance was instrumental in the success of this programme. Her commitment to continuous professional development ensures that our teachers are well-equipped to provide the best possible education to our students.

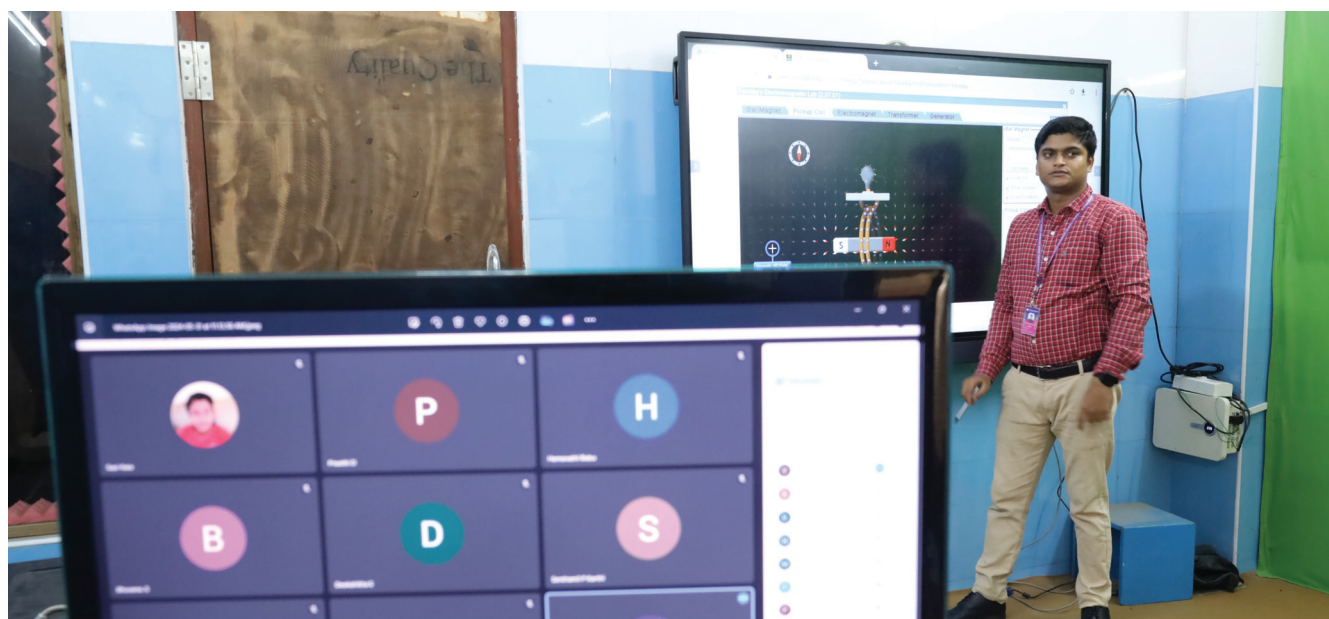

We are confident that the skills and strategies gained from this Capacity Building Programme will significantly enhance our teachers' classroom management capabilities, contributing to a more effective and positive learning environment at Vidhyalakshmi CBSE School.

NEET Booster Online Classes for Class XII

To support our Class XII students in their preparation for the NEET exam, Vidhyalakshmi CBSE School conducted NEET Booster online classes focusing on Class XI portions. These intensive sessions were held from May 6 to May 10, 2024, and again from May 24 to May 31, 2024.

Recognizing the importance of a strong foundation in Class XI subjects, our dedicated faculty designed these booster classes to reinforce key concepts and address any gaps in understanding. The online format provided flexibility, allowing students to engage with the material from the comfort of their homes while benefiting from live instruction and interactive sessions.

Throughout these periods, students participated in rigorous practice sessions, received detailed explanations of complex topics, and engaged in problem-solving exercises. The goal was to ensure that all participants felt confident and well-prepared for the NEET examination they are going to face.

We are committed to providing our students with the resources and support they need to excel in their academic pursuits. These booster classes are a testament to our dedication to their success. We wish our NEET aspirants the very best in their preparations and are confident in their ability to achieve outstanding results

On May 31, 2024, Vidhyalakshmi CBSE School, in collaboration with CBSE, conducted a Capacity Building Programme on Art Integration. The session was led by Ms. N Vijayalakshmi, principal Bhaktavatsalam Vidhyashram School, Korattur Chennai. This innovative and constructive pedagogy focuses on learning 'through the arts' and 'with the arts,' providing a framework of experiential learning where students discover their interests and abilities through their own experiences.

Art Integrated Learning is designed to make education more engaging and effective by integrating artistic processes into various subjects. This approach helps students connect with the material at a deeper level, encouraging creativity, critical thinking, and holistic development.

During the programme, Ms. N Vijayalakshmi shared her extensive experience and insights into the benefits and implementation of Art Integrated Learning.

Capacity Building Programme in Art Integrated Learning

Understanding Art Integration: Teachers learned about the theoretical foundations and educational philosophy behind art integration.

Practical Strategies: Ms. N Vijayalakshmi demonstrated various methods to incorporate art into everyday teaching practices across different subjects.

Experiential Activities: Participants engaged in hands-on activities that exemplified how art can be used as a tool for learning, allowing them to experience the benefits firsthand.

Curriculum Design: Guidance was provided on designing lesson plans and curriculum modules that seamlessly integrate artistic elements with academic content.

The programme was an enlightening experience for all participants, offering new perspectives and tools to enhance their teaching practices. By adopting Art Integrated Learning, Vidhyalakshmi CBSE School aims to foster a more engaging and enriching educational environment, helping students develop a broad range of skills and a deeper love for learning.

We extend our gratitude to Ms. N Vijayalakshmi for her invaluable contribution and look forward to seeing the positive impact of this innovative approach in our classrooms.

This capacity building programme in art integrated learning not only enhanced the skills of our teachers but also reinforced our commitment to various method of teaching. Our Principal Mrs. Uma's guidance was instrumental in the success of this programme.
